

## Junior Accountant

Would you like to be part of a professional finance team that is always looking for efficiencies and standardization within finance processing?

We are looking for a **Junior Accountant** to join our General Ledger team in Outokumpu Global Business Services Centre in Vilnius.

### Main responsibilities:

- Perform clerical day-to-day accounting procedures according to the process flow, timeline, service and quality requirements;
- Ensure that all journals are accurately processed and authorized within agreed deadlines;
- Ensure that all internal finance related queries are handled effectively, efficiently and this results in having a positive impact to business;
- Understand main accounting principles, processes and work on improvements;
- Receive tasks from colleagues and report on progress.

### Requirements:

- Bachelor's degree in accounting / economics / finance;
- Good communication and collaboration skills;
- Positive attitude and willingness to learn and improve;
- Eager to work independently and with a team;
- English language – full professional proficiency;
- German, Italian, Swedish languages – not mandatory but would be an advantage.

### Benefits:

- Privilege to work for an industry leader
- Possibility to grow on a personal and professional level
- Partially supported lunch or travel arrangements
- Modern offices in Quadrum business centre
- People orientated company culture, positive and smart colleagues who will inspire you to join various company events, volunteering activities, etc.
- Flexibility that enables work-life balance
- Remote work opportunities
- One of the best private Health insurance in Lithuania, 3rd pillar pension fund and much more

If you are motivated to succeed and can see yourself in this role, please **submit your application in English by 19-07-2021 via our website:**

<https://career5.successfactors.eu/sfcareer/jobreqcareer?jobId=20441&company=outokumpuoP> .

We will follow up with you on the next steps in the interview process.

Monthly salary range for this position: 1300 EUR – 1600 EUR (before tax deduction). The final offer will depend on the experience and competencies of the selected candidate.
