 OUTOKUMPU is offering a paid internship in Accounting team. It's a great opportunity for students of Accounting, Finance, Economics, Business Management, and other fields.

During this internship you will discover how a big international company is managing its finances centrally from our Vilnius office – how colleagues from different countries speak the same language of numbers and how robots support accounting processes. You will gain valuable organizational experience and try-out a potential profession. Interesting journey guaranteed!

Main tasks

- Process vendor invoices for payment
- Identify problem areas in invoice queries and escalate them proposing solutions
- Handle customer queries in a timely manner
- Support teamwork & collaboration

Requirements

- Studies in Finance / Accounting / Economics / Business Management / other fields
- Good knowledge of English language (written & spoken)
- Practical knowledge of Excel
- Availability for a full-time internship (or part-time but fixed schedule)

Outokumpu offer for students – PAID INTERNSHIP (3-6 months) with additional benefits

- Valuable experience in an international company
- Modern office in QUADRUM business center
- Freedom to choose working from home or office
- Laptop and other work equipment
- Lunch card (60 eur)
- Accident insurance
- Possibility to be offered a job

Start of internship: April 17th, 2023
