

OUTOKUMPU – Paid internship in Procurement team

 OUTOKUMPU is offering a paid internship in Procurement team. It's a great opportunity for students of business management, finance, economics, engineering, and other fields.

During this internship you will discover how purchasing works in a multi-national company – what it takes to buy anything from smallest stationery items to equipment used in producing stainless-steel. You will gain valuable organizational experience and try-out a potential profession. Fun and interesting journey guaranteed!

Main tasks

- Monitoring of purchase orders and delivery management
- Update of late purchase orders
- Statistical analysis
- Other administrative tasks related to purchasing

Requirements

- Studies in Business Management / Finance / Economics / Engineering / other fields
- Good knowledge of English language (written & spoken)
- Practical knowledge of *Excel*
- Availability for a full-time internship (or part-time but fixed schedule)

Outokumpu offer for students – PAID INTERNSHIP (3-6 months) with additional benefits

- Valuable experience in an international company
- Modern office in QUADRUM business center
- Freedom to choose working from home or office
- Laptop and other work equipment
- Lunch card (60 eur)
- Accident insurance
- Possibility to be offered a job

Start of internship: April 17th, 2023
