About us

OUR WORK

Say "Bye!" to boring language classes and "Hello!" to our fun-packed foreign language program! We're all about teaching kiddos how to speak, read, and write in a new language, all while having a blast with games and various activities.

Our secret sauce? The immersion method! It's like being a fish in a sea of foreign language, where kids learn naturally by speaking, listening, and playing in English. Let's get chatty!

OUR PURPOSE

Our mission is to spark a love for foreign languages in kids, by turning regular learning into a cultural adventure, brimming with games and fun activities. We want to help kids develop their skills while catering to their individual needs.

TEACHING PRINCIPLES:

Making the kids feel their success

Teaching kiddos foreign languages while boosting their self-esteem! See, confidence is the key to unlocking language skills, and we're here to make it happen.

Learning in the form of a game

We play to learn! We ditch the boring methods and embrace the excitement that comes with games and activities. We're all about positivity, tossing fears out the window, and allowing ourselves to make mistakes.

Falling in love with cultures

We've nailed two full years of high-fiving European Solidarity Corps volunteers, who bring a real flavor of their native tongues and cultures into our classes. It's been a wild ride and we can't wait to meet new people!

Immersion

Diving right in! The most organic way of mastering foreign languages is by being surrounded of it. Every single thing happens in English, from conversations to activities.

*If you take the **team** out of **teamwork**, it's just work.
And we don't want that.*

What does our week look like?

OUR WORK WEEK CURRENTLY LOOKS LIKE THIS

COME JOIN US, AND WE'LL TAKE THINGS UP A NOTCH BY ADDING MORE CLASSES AND ACTIVITIES TO THE MIX!

MONDAY

1 H REFLECTION OF THE PAST WEEK

We tackle the good, the bad, and the ugly by brainstorming ways to keep the good and improve the rest. We take turns sharing our hopes and wishes, then put on our thinking caps and make decisions together like a boss!

1,5 H PLANNING THE WEEK

Together, we pick the theme of the week's activities, the words we'll use, and the star of the show - the MAIN FUN ACTIVITY. Will it be a day of DIY, an action-packed sports fest, a board game throwdown, or maybe a dramatic performance? The sky is the limit!

? PREPARATION FOR ACTIVITIES
