Our Services

01

Inclusive job postings you won't find elsewhere

You can search job postings by your field and by other criteria: accessible spaces for mobility, flexible working hours, LGBTQ+ friendly environments, required workplace languages, and more. Job postings can be automatically translated into another foreign language.

02

Targeted candidate search

You can submit your CV to our team – once we receive a targeted candidate search request from a company, we will immediately review our CV database and present employers with specialists matching the required profile.

03

Resources

Scobo resources are an additional benefit for candidates who want to better understand the employment process for foreigners in Lithuania. Here you will find everything in one place – from legal regulations to practical advice that helps you navigate this complex process.

04

Here to help

We want the platform to be convenient and easy to use. If you encounter any challenges or have questions, don't hesitate to reach out – we are here for you.

The image shows a mobile application interface for job searching. At the top, the status bar displays the time 15:10, 5G signal, and battery level. Below the status bar, the word "Filtering" is centered, with a close icon (X) to its right. The main content area contains several filter categories, each with a dropdown menu labeled "Select...":

- Job types**
- Industries**
- Cities**
- Speaking languages**
- Salary types**

Below these dropdowns, there is a "Sort by" section with four buttons: "Newest first", "Closest deadline", "Lowest salary", and "Highest salary". At the bottom of the filter menu is a large dark blue button labeled "Apply filters".
