

Kick-Start Your Career as a Junior GL Accountant Intern | Etex Regional Vilnius Hub

Are you curious about how finance, technology, AI, and automation work together to drive business success?

Etex Regional Vilnius Hub is looking for a **Junior GL Accountant Intern (Paid Internship)** who is eager to learn, challenge the status quo, and grow alongside a modern finance team.

This role is perfect for students, recent graduates, or anyone starting their finance career and wanting to gain hands-on experience in accounting while developing future-focused skills in **AI, automation, data analytics, and process improvement**.

What You'll Do

- ✦ Support month-end close and General Ledger activities
- ✦ Work with **SAP, Excel, AI-powered solutions and other tools**
- ✦ Help identify opportunities to automate manual processes
- ✦ Assist with account reconciliations and journal entries
- ✦ Contribute to continuous improvement initiatives
- ✦ Learn how modern finance teams use technology to work smarter

What We're Looking For

- ✓ A positive attitude and willingness to learn
- ✓ Interest in Accounting, Finance, Business, Data Analytics, or Technology
- ✓ Curiosity about **AI, automation, and digital transformation**
- ✓ Good Excel and AI skills or eagerness to develop them
- ✓ Strong attention to detail and problem-solving mindset
- ✓ Someone who is not afraid to ask questions, propose ideas, and try new approaches

What You'll Gain

- ☀ Real-world experience in General Ledger accounting
- ☀ Opportunities to improve processes and make an impact from day one
- ☀ Mentorship from experienced finance professionals
- ☀ A supportive team that values innovation, learning, and growth
- ☀ A strong foundation for a future career in Finance, Accounting, Data Analytics, or Finance Transformation

We believe great accountants of the future are not just experts in numbers, but also innovators who leverage technology to create smarter ways of working.
